4:45 PM              Blue Band concert

**Concert Expectations**

Students should wear their school’s concert band uniform for the performance. It is highly recommended that students wear their uniform to rehearsals on Saturday, to avoid long changing lines and the possibility of forgetting their uniform at home. At the conclusion of the concert, students are free to go. The high school honor band concerts will be in the same location beginning at 6:00 PM, and students are welcome to stay if there are seats available in the auditorium.

**Rehearsal Drop-Off/Pick-Up**

Since Rising Starr has students on campus until approximately 4:00 PM every day, please do not plan to arrive before 4:30 PM if at all possible. Drop off and pickup will occur in the bus loop. Adults staying on campus (parents and directors) should park in the front parking lot. Students will enter the building through the cafeteria entrance (marked with a star on the map below).

**Concert Recordings/T-shirt Purchases** A recording of the concert may be available for pre-order or order on site. Commemorative T-shirts will be available for purchase on the evening of the concert.
